# New Student Enrollment Information

Welcome to the  
Holbrook Public Schools

In order to attend the Holbrook Public Schools, parents, legal guardians or students 18 years or older must first prove they reside in the Town of Holbrook by completing the residency requirement outlined in this document.

Our Mission is to nurture and challenge students to become independent thinkers, lifelong learners, and socially responsible citizens.

## STEP I: RESIDENCY

Parents, legal guardians or students 18 years of age or older must complete the residency requirement by completing the Holbrook Public Schools Residency Statement and submitting at least **one** document from **each** of the three columns:

### Column A:

- Copy of deed or most recent mortgage statement
- Signed copy of lease agreement (including EBHA and HUD leases)
- Notarized signed legal affidavit from the landlord affirming tenancy indicating the terms of the lease and all authorized tenants
- Signed Section 8 lease agreement
- Signed Purchase and Sale Agreement OR Insurance Binder
- Most recent Town of Holbrook Tax Bill

### Column B:

- A utility bill OR utility work order dated within the past 60 days; including:
  - gas bill
  - oil bill
  - electric bill
  - home telephone bill (landline only)
  - cable bill

### Column C:

- Valid Driver's License
- Valid Massachusetts Identification Card
- Valid Passport

The person whose name is on the lease or mortgage is the individual whose signature must be notarized on the Holbrook Public Schools Residency Statement.

The same current Holbrook residential street address must be present on all three documents as evidence of residency.

Please contact Bridget Baker at 781-767-1226 x21482 or [bbaker@holbrook.k12.ma.us](mailto:bbaker@holbrook.k12.ma.us) to complete this requirement

This residency requirement may be completed in-person during Central Office hours of operation or via DocuSign. If you complete the forms via DocuSign you will still need to come in to have your signature notarized once the Residency Statement has been completed.

### IN-PERSON

The parent/legal guardian whose name is listed on the mortgage or lease is the individual that must complete the residency requirement. Once all documents have been received and the residency statement has been notarized the school(s) will be notified to contact you to begin the enrollment process.

\*If you live at an address owned by someone other than the student's parent/legal guardian, both the owner and the parent/legal guardian will need to be present and meet with the Director of Pupil Personnel before you will be able to move forward with the enrollment process.

Please send an email to Bridget Baker at [bbaker@holbrook.k12.ma.us](mailto:bbaker@holbrook.k12.ma.us) indicating:

Do you own, rent or live at an address owned by someone else?

If you **own** or **rent**, please provide the first, last name and email address of the parent listed on the mortgage or lease (If more than one parent is listed, please send the information for the parent that will be completing the residency requirement).

If you live at an address owned by someone other than the student's parent/legal guardian, please provide the first, last name and email address of the parent completing the form as well as the first, last name and email address of the owner. In addition, the owner and parent will need to meet with the Director of Pupil Personnel before you can move forward with the enrollment process.
