Water Quality Test Results

The Holbrook Public Schools contracted an independent lab, Northeast Environmental Laboratory, Inc., to test the drinking water for PFAS.

Click below to follow us on Facebook

We are happy to report that the water fill stations will be turned back on beginning Monday January 24.

The levels of PFAS in the drinking water were considered Non-Detect. PFAS were present in the water that was tested coming off the main. Therefore, the water fill station filtration is working effectively to reduce the presence of PFAS to a non detectable amount. The Facilities Department will change the filters at the water fill stations monthly rather than quarterly to ensure the continued safety of the water.

Parent Pick Up Reminder

During parent pick up, **all parents/guardians must park in a parking spot.** *At no time should cars be left unattended or blocking parked cars.* This is for everyone's safety and also to ensure a quick and smooth pick up routine.

School Delay or Cancellation Procedures

Any school delays or cancellations will be communicated via a phone call from the Superintendent, electronic newsletter, Facebook, and will also be posted on local television stations. Please refer to one of these resources if there are any questions.

As a reminder, in the event of a 1 hour delay:

- Champions will always run a normal schedule.
- JFK buses will begin their run an hour later, starting their route at 9:00. If there is inclement weather, there could be a possibility of minor delays.
- JFK doors open at 9:30. Students will not have access into the building prior to that time.

In the event of a 2 hour delay:

- Champions will always run a normal schedule.
- JFK buses will begin their run two hours later, starting their route at 10:00. If there is inclement weather, there could be a possibility of minor delays.
- JFK doors open at 10:30. Students will not have access into the building prior to that time.
