Test and Stay

For the 2021-22 school year, we are offering an extra layer of protection to prevent the spread of COVID-19 at school. This Test & Stay Program includes symptomatic testing for students who show symptoms of COVID-19 at school as well as for students who may have

been exposed while in school but are not showing symptoms.
For more information about this program, please read the attached letter.

Additionally, we ask all parents/guardians to click the link below to access the consent portal to opt in or out of this program.

Health Office Reminder

Please remember to keep a spare outfit in your child's backpack to be used in the event of an accident, spill, or mess here at school. Please make sure clothing is seasonally appropriate. This should include pants, a shirt, underwear and socks. If the student has spare clothes, the nurse will be able to assist them in cleaning up and get them back to class quickly.
