Test and Stay

The Test and Stay Program is utilized for two scenarios.

1. For students who are exposed to Covid in school and are deemed a close contact.
2. For students who develop symptoms while at school.

If your child is sick, they should be kept home from school. Please notify the health office of any absences and symptoms.

Students who are exposed outside of school are not eligible for the Test & Stay Program.

For the 2021-22 school year, we are offering an extra layer of protection to prevent the spread of COVID-19 at school. This Test & Stay Program includes

symptomatic testing for students who show symptoms of COVID-19 at school as well as for students who may have been exposed while in school but are not showing symptoms.

For more information about this program, [please read the attached letter.](#)

Additionally, we ask all parents/guardians to click the link below to access the consent portal to opt in or out of this program.
